

GARFIELD GRUMBLE 5-MILE MOUNTAIN RACE

April 26 -- Palisade to Clifton ("the back ("way back") way -- Heather Stratman and the team of John Panozzo and "Hank Arewznalisowski" enjoyed the course more than the other entrants.

However, Bernie Boettcher and Lenny Staats and Rachel George and Jessica Maple were in a hurry to finish one-two among the men and women. Lenny and Bernie arrived at the summit together in about 26 minutes, but that Mr. Boettcher is a mountain goat in that his downhill took ten minutes less (an approximately 16-minute descent time). Ms. George arrived at the top barely ahead of Lisa Moot, but Ms. Moot was not the careening downhiller that Ms. G and Jessica Maple were.

As always, "a hoot." And, amazingly, no fatalities nor (severe) injuries.
